

Certificate of Completion

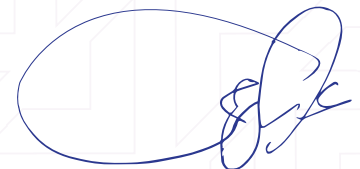

This certifies that:

Feras Jadallah

has successfully completed the **CorePro – Project Management Training Program**, an intensive **120-hour in-person training program** delivered at Core Istanbul Business Hub.

The program provided practical training in **Project Management** concepts and methodologies, covering the full project life cycle from initiation and planning to execution, monitoring, and closing. Participants gained hands-on experience in **scope, schedule, cost, risk, quality, communication, and stakeholder management**, while applying project management tools through practical workshops, team activities, and real-world project simulations.

This certificate is awarded in recognition of the participant's commitment and successful completion of the program requirements.
