

Certificate of Completion

This certifies that:

Tasneem Zeineddin

has successfully completed the **CorePro – Digital Marketing Training Program**, an intensive **120-hour in-person training program** delivered at Core Istanbul Business Hub.

The program provided practical training in digital marketing fundamentals, marketing strategy development, market and audience analysis, content and creative communication, and the planning and execution of digital advertising campaigns using industry platforms including **Meta Ads Manager and Google Ads**.

This certificate is awarded in recognition of the participant's commitment and successful completion of the program requirements.
